

MPS-CAD-LIB-XX

COMPLETE MPS AND CONNECTOR LIBRARY
< IMPORT VIA INSERT FUNCTION >

Installation of CAD Library

- 1) Save the MPS-CAD-LIB-xx.dwg (latest version) to your computer.
- 2) Open your CAD Application.
- 3) Under File, select NEW.
- 4) Open MPS-CAD-LIB-xx.dwg (latest version) as the NEW drawing.
- 5) The initial view will be our Template outline which you can choose to use or modify with your companies information.
- 6) All panels, adapters, enclosures and connectors are brought into the template using the INSERT pull-down menu where they reside as BLOCKS.
