

MPS-CAD-LIB-09

COMPLETE MPS, SPS AND CONNECTOR BLOCK LIBRARY

< IMPORT VIA INSERT FUNCTION >

Installation of Cad Library

- a) Save MPS-CAD-LIB-09.dwg to your computer.
- b) Open your AutoCAD application.
- c) Under File select New (Drawing)
- d) Open MPS-CAD-LIB-09.dwg as the new drawing.
- e) The initial view will be our ST-TEMPLATE-1 outline which you can choose to use or modify with your companies information.
- f) All the panels, adapter rings, enclosures and connectors are brought into the template using the Insert pull-down menu where they reside as blocks.
