Note: "*"

a) Unit Pricing is "**per line item**", no mixing except within a group (Synth Driver II, Upgrades or Interface Cables)

b) Upgrades are only performed at our California facility, located at 8 Hammond Drive, Suite 104, Irvine, California 92618 USA. Users who wish to have their Synth Drivers Upgraded should ship their units pre-paid to this location, return shipping via UPS Ground is included in the price (domestic customers only). The upgrade price includes installation of the upgrade(s) and the testing of the complete unit to assure performance compliance.

c) Interface cables are constructed using 8 and 16 channel multipair cable and connectors from Belden, Gepco, Elco, Edac, Switchcraft, Ne and/or equivalent quality cable/connector.

d) All units are shipped standard with a separate 120VAC tabletop power supply. (240VAC power supplies are optionally available, call for details)

Terms and Conditions:

1) All prices are FOB Irvine, California, USA.

2) Prices do not include freight or insurance. (except as in Note: b above)

3) Prices do not include Sales Tax.
