

# System Integration Solution 38

**Introducing Adapter Plates for 8AT Floor Box Panels that accept our wide range of MPS Lite modules, *L-MPS-8AT-AP***

These Adapter Plates have been designed to attach to industry 1 through 4-Gang for 4,8, and 10 AT Floor boxes. Once installed they are an ideal platform for the installation of our MPS-Lite modules. Each Adapter Plates is supplied with (2) low profile Label Strips that clip over the MPS Lite modules mounting screws, resulting in an attractive and professional finish.

Shown here is different stages of assembly of the 8AT AP (L-MPS-3G-8AT-AP).

Example: Complete L-MPS-8AT Adapter Plate, 3-Gang
